TWO GAMES AT MAKIKI FIELD

Diamond Heads Win From Association—Tie Game

Two contests that treated the spectators to as good, warm fighting as has been seen on a local gridiron in some time were played on Makiki field Saturday, when the Diamond Heads finished one to the good over the Y. M. C. A. team, and the Punahele and Males broke off even.

The first game was between the Heads and the Association lads, and in the first half it looked as if there would be no score. Each team had several chances at goal, but the kick was missed. The real live play came in the second half. In the fast few minutes of time, Maceon of the Y. M. C. A. unintentionally fouled the ball with his hand, and the Heads were given a free kick. Fernandez was all there to the candy with his stubby toe, and the ball went true and through the posts for the only score of the game. Y. M. C. A. had one chance before the game ended to equalize the count, but failed to take advantage of it. The line-up:

Diamond Heads: Goal, Gruber; full backs, H. Clark, J. Clark; halfbacks, R. Chillingworth, H. Chilton, D. Saeed; forwards, Al. Williams, Smythe, E. Fernandez, S. Chillingworth, W. Chillingworth.

Y. M. C. A.: Goal, Cape; fullbacks, Dixon, Macdonald; halfbacks, Ewing, J. Anderson, Hoderick; forwards, Robinson, Blackburn, Woa, J. Waters; centers, J. Ken.

Referee—J. H. Elders. Linesmen—Muri Johnson, H. Walden.

Second Game

The second game was a hummer for just work from the very beginning, though in the early stages there was but little teamwork displayed. Mon Yiu, himself up like a tame lion when he took advantage of an opening and made a beautiful shot for goal. Score: Punahele 1; Males, 0.

In the second session the Males scored soon after play started and the rest of the half both teams played like lions, though they were not able to change the tie score. The line-up was:

Males: Goal, Belser; fullbacks, R. Anderson, McGill; halfbacks, E. Davis, Center, H. Chillingworth; forwards, E. Ken, Andrews, H. Bailey, Clark, Gray.

Punahele: Goal, Frazier; fullbacks, Batcomb, C. Davis; halfbacks, J. Williams, S. Dodge, McElhinney; forwards, R. Cotton, J. Cotton, Mon Yiu, Macaulay, Lyman.

Referee—J. L. Cockburn. Linesmen—J. H. Elders, H. Walden.

Baseball Games Postponed Until Next Sunday

The baseball games which were to have been played at Ala Park yesterday were postponed owing to the rainy weather during the morning and afternoon. Both President Bernard Kelekola and A. K. Vierra of the Riverside and Kalahele leagues respectively were on hand after meeting that there is no chance of getting clear sky, postponing the games until next Sunday.

There will be two championship games played next week and these games promise to be fast and good ball will be seen. Captain Berger's outslings will be on hand, so that Ala Park next Sunday will be a nice place for baseball fans. The Chinese Aloha Jr. will play off the championship for the first series in the Riverside Jr. League with Sam Roy's team, the Aloha A. C., and the Chinese A. C. will play the first game of a two-out-of-three series for the championship of the Kalahele League with the Kalahele A. C. Both of these will be great games and a large crowd will no doubt be on hand.

Angus McPhee couldn't get a horse that would trust him right over in Hilo. "Mac" certainly must be bucking up against a hoodoo.

SCHOOL GIRLS PLAY BASKETBALL GAME

Normal Lassies Win From Co-eds At High School

Saturday afternoon, at the High School grounds, the teams representing the Normal and the High Schools faced each other in the opening game of the interscholastic basketball series, a game which the Normals easily took, by a 5-3 score.

The game was well, it might have been better, both sides indulging in a series of fouls. Nothing of sensational interest matured, only one field throw being made throughout the game and that by Sarah Stone for the Highs. The Normals annexed their points on fouls made by their opponents, even then several times failing to land the ball in the basket. The High School forwards were no better, only one ball out of fully a dozen succeeding in staying in the covered place.

Both sides showed considerable nervousness, a thing which will undoubtedly wear off as the season advances. A large number of spectators crowded the veranda of the school house and lined both sides of the courts.

Following were the line-ups: Normal—Marion Wilhelm, Mary Grote, guards; Amy Awa, Hattie Keokoa, forwards; Bella Meidell, Louise Fern, centers.

Highs—Mary Ferreira, Eva Alana, guards; Sarah Stone, Dina Neper, forwards; Agnes Ape, Hazel Williams, centers.

MANY CITIZENS

(Continued from Page 1)

While discussing the proposed garbage grab which the Achi-Harvey contingency attempted to rush through the last meeting of the Board of Supervisors, and which they still hope to work at the next meeting.

If the political job is perpetuated, it will be over the emphatic protests of practically every citizen of Honolulu who is interested in public decency and economy and opposed to extravagant money grabbing schemes.

As a rule when the County Fathers meet, there is no one present in the hall except themselves, some of the County employees, the reporters, and possibly a small delegation that has a petition to present.

But when the Supervisors come together next Wednesday evening, they may find themselves in the presence of a large body of the public-spirited citizens of Honolulu who have expressed their intention of being present, and if any political jobbery is carried through it will have to be in plain sight of the people whom the Supervisors are supposed to represent, and whose interests they are elected to safeguard.

Many of the Territorial employees, including several of the department heads, have stated that they intend to be present and voice their protest of the raw job.

If the "grabbers" have any idea that Keola's intends to stand in with them on their scheme, they have another think coming. Keola is greatly incensed at the insinuation that he has been "seen" by Achi and Harvey, and it is stated that he went to Achi recently and, shaking his fist under the nose of the wily politician from the wilds of Palama, said that if he ever again stated that he had bought Keola, that member of the Board would proceed to knock his block off.

Outside of the politicians back of the scheme, there appears to be no one who has a good word for the proposition to separate the garbage department from the road department. The statement of the Achi Supervisors that they would not need any bookkeeper in the new department which they propose to create is the thing that looks most fishy to those who have to put up the taxes. Without a bookkeeper, the collector could turn over what funds he pleased to the County and no one could have any idea what the actual collections were.

It remains to be seen whether or not the Hungry Four will have the nerve to pass the Fern resolution in the face of a room full of citizens who look to the Supervisors to account to them for the expenditure of public funds.

CHARGE IS MADE AGAINST DR. POTTIE

A penal summons has been sworn to by Dr. Norgaard, territorial veterinarian, charging Dr. J. H. Pottie, the veterinary surgeon who came here from Australia some time ago, with practicing veterinary surgery, medicine and dentistry without a license. The case will be heard before Judge Anderson tomorrow morning.

WHO IS BEHIND GASOLINE CASE?

The case of the Territory against Sing Yuen, which is a test case to determine whether gasoline can be sold here under the flash test statute or not, was argued this morning before the Supreme Court. Deputy Attorney General Whitney appearing for the Territory, and C. L. Clemens
